Acknowledgments
The authors would like to acknowledge the contributions and collective efforts of the many individuals who have labored on the use-value model to improve the estimation methods and processes presented in this document. These persons, committees, and councils include, but are not limited to:

William Folmar
David Lamie
Monica Licher
J. Paxton Marshall
Beth Ann Pelletier
Edward Van Eenoo
Technical Advisory Committee (TAC)¹
State Land Evaluation and Advisory Council (SLEAC)¹
